Abstract

These instructions have been prepared to assist authors in the preparation of papers for reproduction in Conference proceedings to be provided to delegates. The instructions should be followed in all matters of format including section headings, capitalisation, punctuation, table and figure headings and their placement within the text. The conference proceedings will be produced as CD-ROM containing PDF versions of the papers. These guidelines are to ensure maximum uniformity of style and reproduction without further modifications - please try to follow them as closely as possible. The material that you supply will be used exactly as it is presented. The attached pages should serve as a model. Your paper should not exceed 14 pages.

Keywords: Laser ultrasound, time of flight (TOF), welding, aerospace, carbon fiber composite

1. Introduction

In preparing a manuscript, authors are solely responsible for the quality and appearance of the final product. Please follow these guidelines carefully and accurately. If any questions or special problems arise, feel free to contact the conference organiser or NDT.net at e-mail: info@ndt.net
